## From the Desk of Mark Pugh

*Spring has sprung and Easter is on it's way! With the coming of spring it is time to prepare your landscaping with new mulch and a regular maintenance schedule to ensure a great landscaping during the hot summer months ahead. While it's still springtime make plans for any additional improvements to your irrigation and landscape.*

*Just dreaming of beautiful landscaping is a thing of the past. With Pugh's Earthworks you'll protect your investment in your landscaping.*

*Pugh's Earthworks is your full service landscaping installation and maintenance company. No matter the season, let us take care of the work for you.*

*- Mark Pugh*

### Mission Statement

To the end, we commit ourselves to strive, in all we do, for total customer satisfaction.

## Pugh's Tips & Clips

### Spring Clean-up!

Spring is an important time for landscapes - general clean up, followed with irrigation start-ups and annuals are just some of the things you can expect from Pugh's Earthworks. Spring clean ups include deadheading flowers, pruning trees and shrubs, fertilizing, and applying fresh mulch. During this initial clean up phase, Pugh's Earthworks can address potential problems, providing a beautiful outdoor space for the duration of the warm weather months.

Pugh's Earthworks also offers maintenance plans including regular grass mowing, trimming and weed whacking, edging, and blowing off all hard surfaces so that clients are left with a pristine looking manicured landscaping each week. Summer maintenance schedules for weekly visits should also be in place by first week of May

Call Pugh's Earthworks today, if you are looking for maintenance plans such as lawn services, tree and shrub care, and spring landscape maintenance. Also, if you don't have irrigation in place or annuals ready to go you can call our office for more information.

If you refer a friend that utilizes our services, you will receive \$100 off your next improvement and/or upgrade of your current landscape maintenance or irrigation service. Please contact our office at 901-546-0099 or by e-mail
